Request to Identify Tribe(s) Relevant to Potential Real Property Sale
California Public Utilities Commission Tribal Land Transfer Policy

Dear Commissioner Miranda:

Last year, notice was provided to you about the potential sale of Parcel No. APN 706 05 012 owned by Great Oaks Water Company (Great Oaks). In that notice was a request made pursuant to the California Public Utilities Commission (CPUC) Tribal Land Transfer Policy (TLTP) for your assistance in identifying any Tribe or Tribes relevant to Great Oaks Water Company's (Great Oaks) potential sale of real property located on International Circle in the City of San José. In response, you advised that the Ohlone Indian Tribe was the proper Indian Tribe to contact about this potential property sale.

Great Oaks now intends to sell APN 706 05 012 and will be sending a Notice of Potential Real Property Sale to the Ohlone Indian Tribe. Should there be any other Indian Tribe that should also receive the Notice, please advise immediately. The real property in question is APN 706 05 012 and is shown on the map sent with this letter (highlighted in yellow).

Kindly provide a response as soon as possible. You may call me directly if you have any questions.

Respectfully submitted,
